# HAIR CARE SECTION

---

## **PERMEANT STRAIGHTNING**

It is a hair styling technique involving the flattening and straightening of hair in order to give it a smooth, streamlined, and sleek appearance. It works best on virgin and healthy hair.

**4000/- Onwards**

## **SMOOTHENING**

It can straighten even the curliest of hair types and is permanent, meaning that the treated hair will remain straight until your natural hair grows out. It works on any kind of Hair.

**5000/- Onwards**

## **RE-BONDING**

Your hair is restructured with heat, and the newly formed bonds are sealed with natural products. Hair should be thick, and it is suitable for henna or other carbon-coated hair.

**4500/- Onwards**

## **KERATIN THERAPY**

It's a semi-permanent hair smoothing as well as curl softening treatment performed by a specialist. Hair becomes straighter, shinier, and even healthier as a result of this treatment. It lasts 3-4 months.

Steps for a younger looking skin:

### **IPID REPLACING CLEANSING GEL**

A non-irritation low forming clear gel cleaner with mini globules that gently removes dirt, debris and lipids without breaking the skin barrier or denaturing the keratin.

### **NOURISHING MASK**

The antibacterial, anti-inflammatory fabric mask improves sluggish, dull complexion and refines skin texture.

### **MICROFOLIANT**

A sulphate-free exfoliates and hydrates the skin. It reduces sebum without disturbing the protective lipid barrier, permits deep cleansing and keratin plugs in the sebaceous follicle and germicidal action that retards bacteria, reducing the formation of pustules.

### **PLATINUM COLLOIDAL CONCENTRATE**

It helps in combat aging by recharging skins electrical balance which helps to increase the moisture the
